

## **Matching game instructions**

1. Print the cards on heavy stock, 2-sided, on a color printer
2. Trim the cards along the dotted lines
3. Lay the cards out, face down, in rows (easier) or as a jumble (harder).
4. Players take turns turning over 2 cards at a time, looking for matches. Try to remember where the matching cards are!
5. If a player turns over a matching pair, they take those cards.
6. At the end, the player with most pairs wins.
